The award winning magnetic knife rack

Made of bamboo, the knife rack holds up to eight knives firmly in place using hidden rare earth magnets. It is also available in beech.

Accepting the award from TV news presenter Sian Williams, joint M.D. Alastair Fisher said *"This is great recognition for all the hard work everyone has put into developing our new products."*

What's in a name?

From 1st June, Harrison Fisher & Co Ltd will change it's name to Taylor's Eye Witness Limited. The name change will make life much simpler for customers, suppliers and ourselves as we focus on the development of the Taylor's Eye Witness brand - *High quality well designed products from the cutting edge experts.*
